10th January 2018

Dear parents and carers,

Year 3 & 4 trip to Winchester Science Centre (Intech)

To enhance our science topic learning this half term we have planned a visit to Winchester Science Centre (Intech) on Wednesday 24th January 2018. We will have the opportunity to explore the Centre, where we will have access to investigations relating to our current science topic on sound and our upcoming topic on electricity.

We will be leaving at 9am and returning in time for the end of the school day, so children who catch the bus will be able to get the bus to and from school as normal.

Each child will need a coat, a packed lunch, plenty of water and a snack. The children will be carrying their own lunches, so please provide a suitable small bag.

The Friends are kindly covering the cost of the transport, but we would appreciate a £5 voluntary contribution (cash or cheque payable to Western Downland Primary School) per child to cover the entrance fee. Unfortunately if there are insufficient contributions to cover costs the trip will not go ahead.

We will need a few parent helpers for the trip, so please let us know if you are able to accompany us.

Yours sincerely,

Miss Savage and Mr Gilbert

.....

Year 3 & 4 trip to Winchester Science Centre (Intech)

Name of child _____

I give permission for my child to take part in this trip, and enclose a voluntary contribution of £5.

I am able to help out on the trip if needed

Signed _____
